Subject: Texas Regional Haze Supplemental Notice of Proposed Rulemaking Signed 11/1/2019
Attachments: TX RH BART supplemental pre-pub.pdf

Good morning, Michael,

Please distribute this to your Regional Haze workgroup members. The Acting Administrator of the Region 6 Office of the Environmental Protection Agency, David Gray, signed this supplemental notice on November 1, 2019 and we are submitting it for publication in the Federal Register. While we have taken steps to ensure the accuracy of this version of the proposed rule, it is not the official version of the rule. Please refer to the official version in a forthcoming Federal Register publication, which will appear on the Government Printing Office's FDSys website (<https://www.govinfo.gov/app/collection/FR/>) and on Regulations.gov (www.regulations.gov) in Docket No. EPA-R06-OAR-2016-0611. Once the official version of this document is published in the Federal Register, it will supersede this version.

Thanks,

Jennifer Huser
